To the Manager of Sept.

U. S. Mint

Philadelphia

Dear Sir:-

Enclosed you will find  
a rough outline of a box  
of weights and scales used  
for testing coins in the time  
of Geo. P. King of Eng.

I have the original in my  
possession, and can prove  
they are genuine. I have  
been assured of their value  
by Pres. Holden of the Cal.

University, the manager  
of the Smithsonian Inst. at  
Washington and others - some  
setting the value as high  
as \$1000.

Do you buy such curiosities  
for the want, or can you  
tell me how I can dispose  
of them without being im-  
posed upon.

I will be glad to hear  
from you when convenient

Yours Truly

To the Manager or Supt.  
U. S. Mint  
Philadelphia

Dear Sir:--

Enclosed you will find a rough outline of a box of weights and scale used for testing coins in the time of Geo II King of Eng.

I have the original in my possession, and can prove they are genuine. I have been assured of their value by Pres. Holden of the Cal. University, the manager of the Smithsonian Ins. at Washington and others—Some setting the value as high as \$1000.

Do you buy such curiosities for the Mint, or can you tell me how I can dispose of them without being imposed upon.

I will be glad to hear from you when convenient

Yours Truly  
Mrs. A. C. Bainbridge
